Blackhawk Farms CAROC Time Trials
JUNE 27, 2003

Registration and Tech inspection will begin at 7:30 am. We will be sending out the first practice group at 9:15 am. The format will be open practices by class followed by timed runs. Touring will be at noon and will run for one hour. There will be timed runs all afternoon with the possibility of another touring session at the end of the day. The timed format will be: One warm up lap, two full timed laps, with a half lap cool down. This is done in solo fashion (no traffic, not wheel to wheel, no passing).

Safety requirements for Time Trialing are as follows:

Car must pass safety tech inspection

Helmets and seat belts are required

Fixed roll bars are mandatory for open cars only
